# Master Services Agreement: Northwind Robotics and Globex Corporation

This Master Services Agreement (the Agreement) is entered into on 1 July 2026 (the Effective Date) between Northwind Robotics, Inc. (Northwind) and Globex Corporation (Globex).

## 1. Services

Northwind will deploy and operate a fleet of 120 Atlas autonomous mobile robots across Globex's Reno and Columbus distribution centres, together with the Northwind Fleet software subscription and 24/7 support.

## 2. Term

The Agreement starts on the Effective Date and runs for an initial term of three years. It renews automatically for successive one-year terms unless either party gives notice of non-renewal at least 60 days before the end of the current term.

## 3. Fees

The total contract value for the initial term is $4.2 million: robot hardware leases of $2.4 million, software subscriptions of $1.35 million and deployment and support services of $450,000. Invoices are issued quarterly in advance and are payable within 45 days.

## 4. Service levels

Northwind commits to 99.9 percent monthly availability of the Fleet software. If availability falls below the commitment, Globex receives a service credit of 5 percent of that month's software fees for each 0.1 percent below 99.9 percent, capped at 25 percent of the monthly fees.

| Priority | Definition | Response | Target resolution |
|---|---|---|---|
| P1 | Fleet stopped at a site | 15 minutes, 24/7 | 4 hours |
| P2 | Degraded throughput | 1 hour, 24/7 | 1 business day |
| P3 | Question or minor defect | 1 business day | 10 business days |

## 5. Termination

Either party may terminate the Agreement for convenience with 90 days' written notice, but not before the end of the first 12 months. Either party may terminate for material breach if the breach is not cured within 30 days of written notice. On termination Northwind will recover its robots within 45 days.

## 6. Data protection

Operational data from the robots stays in the region where it is collected. Northwind processes Globex data only to provide the services and deletes it within 60 days of termination unless the law requires otherwise.

## 7. Liability

Each party's total liability is capped at the fees paid in the 12 months before the claim, except for breaches of confidentiality, data protection obligations or gross negligence.

## 8. Governing law

This Agreement is governed by the laws of the State of Delaware.
